### Talks and Presentations

**TCCE presents: Complex Webs: 15.00 - 18.00**  
**Exploring connections between universities and the arts and creative sectors**

Complex Webs sets out to open a conversation about the ways in which the arts, creative industries and higher education are working now and how they have done so in the past.

Taking an intergenerational approach, this event aims to create an informal space where artists, creative practitioners and businesses, researchers and interested parties can come together to reflect on and explore topics including: Geographies of creativity and the conditions in which creativity flourishes. Strategies, actions and attitudes that empower creative thinking, doing and innovation. Practices and Policies: Colliding the historical and the contemporary to inform the future.

**Frontline Fashion - Screening followed by Q & A 16.00 - 18.00**

Have you ever wondered what it's like for designers working on the frontline to make our clothes more sustainable? Frontline Fashion is a documentary following 10 talented Asian and European emerging fashion designers determined to change the future of fashion - currently one of the most polluting industries - for the better in the world's biggest sustainable fashion design competition, The EcoChic Design Award.

**The Service Design Fringe Festival 15.00 - 20.00**

The Art of Service Branding 15.00 - 16.30  
Branding Your Work as Service Design 17.00 - 18.00  
Festival Opening Night 18.00 - 20.00

**Presentations 14.00 - 20.00**

In addition to the talks programme there will presentations of 'Home Monitor' from Projects by If, 'Bad News Bot' from Studio PSK and Psyterratica from Deborah Tchoudjinoff. 'Under Development' exhibition based on the 17 United Nations Sustainable Development Goals.
